Dear Ms. Williams

I would like to schedule a telephone call to you concerning the above application.

As you know my previous attempts to prosecute my application were full of errors and I have since employed the services of a patent attorney, Ruden, McClosky, Smith, Schuster & Russel P.A.

The attorney has advised me to file a Continuation-in-part and this should be with you shortly but I would like to discuss certain things about the application with you personally.

I would like you, if it is possible to speak with my husband who has aided me with the application.

Would it be possible for you to suggest a time when we could reach you by telephone.

I am away from my home at the moment and have provided my e-mail address below.

Silaprom555@yahoo.co.uk

Yours sincerely

Laaong Silaprom
